Matt,

Just to confirm our phone conversation – yes, now that we have written direction from OPA give Lin the OK to make the changes in coordination with Nancy Grantham.

I just spoke with her and she is going to speak to Danny about getting the Energy Independence page posted and providing me, you, Lin and Susan with the URL for the Clean Power Plan to redirect to.

Thanks,

Harvey

Steve, Harvey and Matt,

As discussed with Nancy, we would like the content at the links below removed and archived as soon as possible.

The removed climate change pages will be replaced with a custom page that will explain why the change is happening, include a link to the January 19, 2017 snapshot of the EPA website, and a link to the press release we'll be putting out.

The clean power plan pages will be redirected to the newly posted energy independence pages.

We appreciate your assistance in this time-sensitive matter.

Please let us know if you have questions.

Thank you
